M: Hello. Are you eating in or taking out?

W: I'd like to eat here, please.

M: Very well, are you ready to order?

W: Yes, a black coffee for me, please.

M: And for the dessert?

W: M... I do not know. What would you recommend?

M: Our cheesecake and carrot cake are very popular.

W: Are there any nuts in the carrot cake?

M: Yes, there are nuts in the recipe.

W: I have nut allergies, you see. I cannot eat nuts.

M: We can make a new carrot cake without nuts, but it will take up to 40 minutes and it might not be as tasty as the one we usually offer.

W: Oh, my. You are willing to bake a whole new cake just for me?

M: That is not a big deal. If you are willing to wait for 40 minutes we will prepare it without adding nuts.

W: I see. Mmmmm, let me think. What about the cheesecake?

M: There are no nuts in our cheesecake.

W: Oh, ok.

M: We use cheese, milk, and butter from our dairy provider. You may order one of the five sauces to go with the cheesecake.

W: Do sauces go with the cheesecake?

M: We offer this new arrangement as a part of our summer menu.

W: So, is it a timely offer?

M: Yes, we will probably switch to a different menu in autumn. Sauces are very popular, and there is a variety of options to choose from. Have a look at the menu.

W: Caramel, chocolate, coconut.... Very well, I'd like a cheesecake with this sauce.

M: Blueberry. Ok. Would you like some vanilla ice cream with your cheesecake?

W: Yes, please.

M: Would you like to have it on the top of the cake or in a separate cup?

W: A separate cup is fine.

M: Anything else you would like to order?

W: No, that'll be all. Thank you.

M: I'll bring your order in a minute.
