Hi, everybody. Our school festival is coming this Sunday. As we are an agricultural college, there will be lots of food stalls. All the food will be made from vegetables and meat grown on our campus farm. Meat comes from the pigs we raise, and you have probably heard about our golden bacon. There will be sandwiches made with this bacon, too. The access to Enzo College is possible either by bus or train. The train ride is only 30 minutes from Sapporo, but you need to walk another half an hour up the hill from the station. The bus will take one and a half hours, but the bus stop is right before the gate. So please come to our school festival.
